

# Class 15 Phillips Medisize Tour Dress Code

I agree to the following dress requirements for the tour and realize that if I do not adhere to them, I will be unable to take the tour.

This is a cleanroom facility so cleanroom attire will be required and provided by the company (clean room gown, hair net, safety glasses and a beard net if applicable). There is also a very strict set of dress requirements that everyone MUST adhere to.

- 1) Synthetic clothing is required to lessen the chance of carrying in lint particles;
- 2) Long pants are required, but not touching the floor;
- 3) Clothing must cover as much skin as possible;
- 4) No loose-hanging, soiled or ripped clothing;
- 5) No “bling” (decorations) on clothing;
- 6) Close-toed shoes;
- 7) No caps, hats or scarves;
- 8) Long hair must be tied back;
- 9) Jewelry must be removed or covered (the company will supply gloves);
- 10) No necklaces or dangling earrings;
- 11) Gloves must be worn over acrylic nails (the company will supply gloves);
- 12) No make-up and no perfume.

I agree to these dress requirements.
